RENOTICE OF WASTEWATER CHANGE PETITION WW0080

COUNTY: Santa Barbara

STREAM SYSTEM: Cuyama River

The subject petition is being renoticed to correct inaccuracies in the "Place of Use" and "Average Rate of Discharge" table contained in the original notice issued on September 10, 2015. The time period allowed for filing written protests against approval of the subject petition has not been changed.

Cuyama Community Services District (District) has filed a wastewater change petition with the State Water Resources Control Board pursuant to Water Code section 1211. The petition seeks authorization to cease the discharge of treated wastewater from the District's Waste Water Treatment Plant to Salisbury Creek during all months of the year. This proposed change would reduce flow in Salisbury Creek, and will be reviewed by the State Water Resources Control Board pursuant to the provisions of Chapter 10 of Part 2 of Division 2 of the Water Code. Any correspondence directed to the Petitioner should be mailed to: Cuyama Community Services District, c/o Reid Johnson, P.E., Nolte Vertical Five, 1215 West Center Street, Suite 201, Manteca, CA 95337.
